

OPEN LETTER TO THE MILITARY

We the People are asking you to assist us take our country and sovereignty back from the CORPORATION and the FED banksters and corrupt politicians. We are FIRING every last one of them! They no longer represent us, therefore they are FIRED! We are done being slaves and paying taxes that are government wastes our money and it's not even backed by gold, which is fiat worthless paper by illegal and corrupt FED, we want the 2020 election fixed; we all know Joe Biden the pedo did not win. We have the right to dissolve the government when all other measures have been exhausted. We have tried January 6th protests, convoys, Multitudes of protests, going to school board meetings Town Hall meetings, attending Trump rallies, the rightful winner! Election machines are rigged, see the movie RIGGED and Mike Lindell's proof. We have lost friends, family members through COVID , poisonous vaccines, the horrific truth; all hidden from us for decades, 911 and the Kennedy assassination are just two of the 100s of examples we could give. We are tired of wars and paying for wars that WE DO NOT WANT! We do not want to support any wars unless enemies attack us. We want our country back and we are demanding you ASAP on our behalf, we want action, we want our sovereignty, we never agreed to be a mini CORPORATION at birth and given all capital letters on our birth certificates we never agreed to be traded like cattle while others \$ from us unknowingly. We refuse to be slaves to the Deep State for one moment longer. We want NESARA implemented as soon as possible. We will put another much smaller government in place once these horrible inept people are FIRED and prosecuted for their crimes against us and our children. Patriots who agree please share. Military reading this please take this message from "We the People" to your commanding officer. Please respond to us using the EBS system. Patriots, this needs to go viral on every platform. "We The People" have spoken. Military needs to act now on our behalf. Before we have no country left!
Respectfully, USA AMERICAN PEOPLE.
