COVID-19 - Will go down as one of history's greatest IQ test. A virus so intelligent, it knows when you're standing ordering a drink at your favorite local compromised communist/marxist extension of the draconian brainwashing Starbucks. It knows when you entered a building with a mask on or without one, it knows when your nose is covered or not, it can prevent you from going to the beach but lets you enter another extension of the draconian manipulation corporations... You've noticed that all these corporations have put signage regarding the "mandates" or "6 feet" policies... when did they become the controller of YOUR health, of YOUR freedoms? When did the Government become the controller of YOUR health? The time to #FightBack and #StandYourGround has never been more clearer in our American history. President Trump, Our 19th President Of The United States put the pedophiles FRONT and CENTER for the world to see Via Executive Order 13818. The Real Virus Were Pedophiles And The US Military Was The Vaccine.

Using interdimensional portals, reptilians and archons - referred to as soul suckers. They performed these rapes & sacrifices harvesting to increase their negative energy they use to transmute into controlling the world population. Having enslaved humanity with vaccines & nanotechnology - any energy could be transmuted and placed into someones body to accomplish their tasks. Using humanity as a an endless energy source by keeping the population in a negative energy state. Infiltrating through each facet of Government and Businesses, through the education systems, newspapers, televisions, movies, advertisements, sports bars, alcohol, restaurants, games, entertainment centers and so on. Using nanites via wireless transmissions controlling people via their cell phones, mirrors, electronics, televisions, laptops they were able to control the people to the highest level. After All Is Done And Told This Will Be Forever Known As The Greatest Plan In The World To Save Our Children and Humanity From The Physical Matrix Enslavement From Reptilians & Pedophiles Hell Bent On The TOTAL ANNIHILATION OF THE HUMAN RACE. ThankQ President Trump And Our Fine Men And Women Of The Military. Where We Go One We Go All.

They used human cloning as a means of their infiltration with soulless empty vessels mixed throughout the human population. They had cloning facilities in deep underground military bases worldwide acting as hubs for their advanced tunneling systems. This was their infiltration method, to have their empty vessels they manipulated and control all the world leaders. This was just a distraction to keep the population pre-occupied on wars,

disease, famine, politics, fake religions, left vs right, black vs white - it's ALWAYS been them. The same is said about the entertainment industry - they used the same pattern of control, having their cloned stars doing playing roles in doing the same, keeping the population deceived to exactly what they were doing. Artificial Intelligence Is Limited By It's Creator. They created hybrid aliens, mixing children DNAs to create their own race of slaves, a reason they pushed abortions. Their end goal was to keep humanity enslaved on their intergalactic slave ship Matrix. The Enormity Of What's To Come Will Shock The World. It was always their distraction from Reptilians/Greys eating & sacrificing children for their adrenochrome & pineal glands.

THEY used HEK 293 cells that are derived from aborted fetus', along with flouride - the endless poisons in the name of 'science' to keep crops 'growing.' To keep water safe, to keep the air safe, the airwaves safe - an endless pursuit of full control of the population. By using the medical industry to comply vaccines be injected to new borns, the use of feminized cells has an unnatural effect. This has caused feminization of men for

HEK 293 cells

Human embryonic kidney 293 cells, also often referred to as HEK 293, HEK-293, 293 cells, or less precisely as HEK cells, are a specific immortalised cell line derived from an aborted fetus or human embryonic kidney cells grown in tissue culture taken from a female fetus in 1973.

their end goal, depopulation and sterilization. Allowing them to expand their hybrids, clones & robot population. Using adrenochrome as their supply taken from children that have been raped and tortured to elicit the highest levels of the adreno from the body. They'd have Spirit Cooking events, which was how they would end up - eaten. With the remains they would poison the food supply, the air, the water, each ingredient was masked with a name as 'natural flavors.' By cutting off the supply, President Trump has put an end to their poisoning and abuse, removing these toxins and putting each and every pedophile **FRONT** and **CENTER** for the world to see, My fellow Americans, the Storm is upon us.....

I'd like to thank everyone for all your Birthday wishes, Carolyn and I loved the messages. Since we have Initiated Phase III, the CGI & Reptilian controllers have been revealed for everyone to see. They used their vrilled world leaders to maintain control over the population. The reptilian alien/hybrid agenda has been their means of infiltration vs invasion. Creating hybrid Humans that work with their evil 'source' code, a vessel

without a heart or a soul. Embedded with vrills & nanotechnology they also targeted individuals being manipulated via Project MKULTRA a branch under Operation Paperclip & The Nazi World Order/Reptillians. Every connection to their 'science' - FDA, CDC, NIH & other medical fields. It's the same reason why you couldn't see your baby immediately after they were born. Why a CO2 test for a nurse has no effect as it does for a child. Clones & Operation Paperclip. Death is an illusion, THEY created it - mortuaries, cemeteries, hospitals, organ harvesting, genetic modifications & fabricating the diseases. There is no Human that would ever commit these heinous evil acts against our innocent children or to one another.

They used symbolism in every aspect of their control. Just as you connect all the street markers Via Executive Order 13818, symbolism connecting the massive pedophilia running throughout the “under”world. Each symbol represents a different hidden message, just as they use it online, or in cartoons designed for children. Color is coded as well to send out different ‘frequencies’ using nanotechnology, It’s behind every image/symbol out there.

Messages and symbols can also be ‘hidden in plain sight’ using stenography. You can read more about the symbolism and coded words through the WikiLeaks emails at <https://wikileaks.org/>

It has always been them, they have been invading you ever since. The use of artificial intelligence allowed the reptilians and greys to maximize their control over the population. Through the news & social media networks, using bots & CGI, clones & doubles. They would be able to easily manipulate whoever they needed with the use of their technology,

it could appear to be anyone. This same procedure has been used as disclosure as we have entered Phase III, the Galactic Alliance will soon be landing on the White House front lawn & decloaking - you know like The Day The Earth Stood Still, the documentary... This will begin Military Tribunals & All Pedophilia/Treason/Criminal activity, arrests & executions - complete disclosure.

As we prepare for the Quantum Leap to 5D - the cohesion for all new technologies starts to transition from the old system to the new. Our Q drops allows the dissemination of information across all social media platforms, via Executive Order 13818. Patriots Are Now In Control. Enjoy The Show

With the use of CGI, the entire entertainment industry has been one stage after another. Take a closer look at the previous shows on TV. Using advanced technology to render faces using software specifically designed to create the perfect illusion. That which you thought you saw on TV, was never real - it's all been an entire scam to the American people. Take a look, for a moment - and realize the deception ran deep. After 1999, THEY used stages, scripts, artificial intelligence, CGI, doubles - anything to keep THEIR deception going. Take a look at the motion of the hair movement, facial expressions, unnatural body movement - look closer upon the details and the entire charade falls apart. My Fellow

Americans, It's Time To #StandUp and #FightBack. There's footage of 9/11 without the planes but with explosions, why? Simple - layers that allow the video editor flexibility in their illusions. As we initiate Phase III, the CGI Masks come off, The Truth Is A Force Of Nature.

The Reptilians Along With The Nazi World Order on the Dark Side Of The Moon waging Galactic War against the Galactic Alliance have been defeated. The remaining Human's inside their underground Matrix are now being fully healed inside the

Medical Beds. This brings up the important topic that I am conveying directly to the American people, the technology behind "NeuraLink" connecting the Human brain directly to a machine. The "Movie" Started In 1999, Our Great Military Has Been In Control Since 'Clinton' Signed NESARA. Which will give Americans and the world the freedoms to which they can choose what they love to do. A Brave

New World Awaits Us All, a world where there is no poverty, no homelessness, no suffering, no injustices and our innocent children are FREE. Using advanced technologies many humans were killed and cloned or simply holographic projections. The infiltration was to the highest level, as their evil A.I. nanos - their origins which were from another dimension through the Einstein-Rosen Bridge as discussed in our channels. Which Allows Us To Bring A New Reality And Our Creative Freedoms.

Where We Go One We Go All.

The Holographic Medical Beds that are now replacing hospitals worldwide will be available to the public for everyday use. Coupled with Nikola Tesla's Free Energy Towers, all available technology will be adapted to these standards. Using Advanced

Intelligence the medical bed can heal cancers, tumors, fibromyalgia - vaccine damages can be reversed. "Aging" doesn't exist - you won't have joint pains, or need for the supplement industry - as the deficiencies were created by THEM. Think Jurassic Park Lysine Contingency. Using tachyon and plasma energy - exactly like Star Trek The Next Generation, healing will be a quick process that everyone will have access to. The medical bed has the ability to scan your body

from head to toe and detect each issue. Using the tachyon and plasma energy instruments they're able to restore the DNA fully. We will be able to restore fully, any missing limbs or organs - restore sight, restore brain health. Give our elderly and our Great American Veterans a rejuvenation to feel "20 years younger."

Where We Go One We Go All.

You may have seen nanotechnology on Star Trek before and wondered what if? The truth is the invention of nanotechnology and their multiple uses in the military were hidden from the public's eye. Upgrading military soldiers to a new level, the Super Soldier - gives them military cloud computing access. This

also gave way to corrupt evil governments, pharametucials/medical industries who turned these technologies against their own people. International Patent 060606 previously allowed Microsoft "A cryptocurrency system using humans who have been chipped as the "Miners". What are miners? - "miners use special software to solve math problems and are issued a certain number of bitcoins in exchange." Poisoning the air, water & food with nanites allowed them to further

their control using frequencies thru your TV, phone via nervous system patents. This allowed them to control groups, targeting individuals to have the system always attack them. Ditch the cellphone the next time you're out - you might just be invisible like us ;)
